The Indian Private Equity and Venture Capital Association (IVCA), is organizing the 7th edition of its flagship event 'IVCA Annual Conclave 2018' on the 7 - 8 March, 2018 at Taj Land's End, Mumbai.

Focused on the Private Equity and Venture Capital investments in India, this exclusive event is designed to be an ideal environment for exchange of ideas, exploring business opportunities, LP-GP pitches, securing long term source of capital, assessing regulatory scenario and high-end networking among the PE/ VC investors, Limited Partners, Family Offices, Entrepreneurs, Angel Investors, Consultants/ Advisors and other investment professionals.

India has been ranked as the most attractive emerging market for GP investment in 2017 by respondents to EMPEA's 2017 Global Limited Partners Survey. In many ways this upcoming conclave will showcase a major shift in terms of future potential and investment themes at a time when Limited Partners are diversifying commitments across platforms and regions.
