

## BIOpus 2019

### Exhibition

Application Deadline: October 11, 2019

#### Exhibition Categories

|                      |  |
|----------------------|--|
| Biopharmaceutical    | Antibody Therapeutics, Cell/Gene therapy, Immunotherapy, Vaccines, Genomics, etc.  |
| Bio-based chemical   | Biofuel, Cosmetics, Energy, Environment, etc.<br>Medical 3D Printing: Bio Ink, Bio 3D Printing system, Biocompatible Materials, Implantable Artificial Organ, etc. |
| Biomedical Equipment | Analytical equipment, Diagnostic devices, IVD, Medical devices etc.  |
| Bio-IT               | Artificial intelligence, Big data, Digital healthcare, Medical information and systems, Telemedicine, etc.   |
| Other                | CRO, CMO, Intellectual Property, Regulatory Consulting, Investment and other medical services, etc.  |

#### Booth Information

Excluding VAT.

| Type                   | Unit Cost |            | Notes                                 |
|------------------------|-----------|------------|---------------------------------------|
|                        | Member    | Non-member |                                       |
| Raw Space (3mX2m)      | USD 2,000 | USD 2,250  | - Space Only<br>- Minimum is 2 Booths |
| Standard Booth (3mX2m) | USD 2,250 | USD 2,500  | - Inclusive of installation charges   |

#### Discount Information

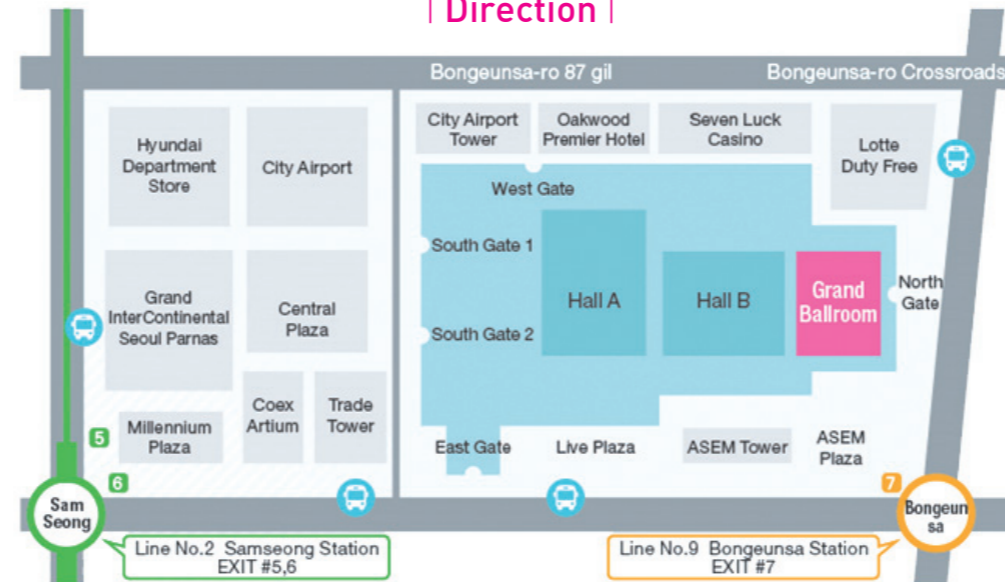

Excluding VAT.

|            |               |                  |
|------------|---------------|------------------|
| Early Bird | USD 250/Booth | ~ August 9, 2019 |
|------------|---------------|------------------|

# BIOpus 2019

November 12-13  
COEX, Seoul, Korea

Bio Innovation: Staying Ahead of the Curve

koreaBio

Korea Biotechnology Industry Organization

# BIOplus 2019

**MEET US AT BIOplus KOREA TO EXPAND YOUR NETWORK AND GET CONNECTED TO THE LATEST BIO INFORMATION FOR BETTER BUSINESS.**

**Focusing on Korean innovation and global collaboration, BIOplus will provide Asia biotech industry's annual premier Conference & Exhibition.**

Korea Biotechnology Industry Organization (KoreaBIO) is pleased to invite you to BIOplus 2019 conference & exhibition to be held on November 12-13, 2019 at COEX, Seoul, Korea.

The theme for this year's BIOplus is "Bio Innovation: Staying Ahead of the Curve".

BIOplus 2019 will bring together biotech industry leaders from all around the world and stakeholders to Seoul for two days for education and networking opportunities.

Thank you.

**Dr. Jeong-Sun Seo**

President  
Korea Biotechnology Industry Organization

## Overview

|              |   |
|--------------|---|
| Title        | BIOplus 2019 Conference & Exhibition                        |
| Theme        | Bio Innovation: Staying Ahead of the Curve                  |
| Date         | November 12-13, 2019  |
| Venue        | COEX, Seoul, Korea  |
| Host         | Korea Biotechnology Industry Organization                   |
| Participates | 20 Countries, 2,000 Attendees                               |
| Program      | Conference, Exhibition, BIO-BIZ, Event                      |
