Time: 09.00–10.00 EET

Venue: Microsoft Teams webinar

[> Register here](#)

Are you curious about the venture expansion and fund investment opportunities in the Nordics, one of the most dynamic in the world, with the highest number of unicorns per capita?

Have you been looking for the perfect chance to explore and connect with the ecosystem in the northern region?

If your answer is yes, this webinar is for you. We cordially invite you to our upcoming webinar to study one of the fastest-growing innovation ecosystems in the Nordics, Helsinki, Finland. You'll walk away with valuable insights from experts in the ecosystem who will discuss key trends, successful ventures, and information about [Venture Nordics](#), a unique program designed specifically for international fund managers and LPs thinking about investing in the Nordics.

Organised in partnership with the Finnish Venture Capital Association, and Leo Capital, this webinar is your gateway to informed and successful investments in the region.
